

If you have the original box:

1. Place your device, along with any power leads and cables back into the original box.

2. Pack the box into a second box, with soft packaging (eg. scrunched paper, bubble wrap, polystyrene chips) to prevent movement.

If you do not have the original box:

1. Cover your device's screen with a protective layer eg. cardboard.

2. Wrap your device with soft packing, eg bubble wrap. A total thickness of 2 inches is recommended.

3. Pack your wrapped device into a mailing box with soft packaging surrounding to prevent movement.

Once packed, cut out and affix the label below to your box. Write the RMA number in the box provided. Note Smartbox repairs in the US are carried out by our partner, Accessibility Services Inc. Any questions or queries please contact us: (800) 933-8400 / repairs@thinksmartbox.com
