How it works

- If you have a problem with your device you can contact our Customer Care Team on 01684 578868.
- Have the device name and serial number handy, as well as all the information you have about the damaged or faulty equipment.
- It is advisable to be connected to the internet so we can try to analyse and repair any faults remotely.
- If we are unable to resolve your problem over the phone, we will ask you to complete a device repair form and pack your device for collection. We will give advice on packaging your device safely to prevent damage in transit.
- If we have a copy of your user settings, we will put these resources on a swap out device that you may borrow until your device is repaired.
- Please note that the swap out device will be similar but may be an older, slightly different or refurbished model.
- We will arrange collection of your device for repair.
- Otherwise, we will contact you to arrange the return of your device and the collection of the swap out device when the repair is completed.

What is not included:

- Loss or theft of a device – please note that this can be covered by an insurance company.
- Damage caused by liquid.
- We expect you to take every reasonable precaution against damaging your device. Damage caused deliberately or by neglect or misuse is not covered. We may still be able to repair your device, but the repair will be chargeable.
- Multiple incidences of accidental damage within one year. We will carry out a maximum of one free repair for accidental damage for each year of cover purchased.
- Damage caused when transporting the device from you to our offices. It is crucial that all items are properly packaged to prevent this. Please ask if you need advice on proper packaging.
- Damage caused by any attempted repair that includes unscrewing parts or tampering with the hardware.
- SmartCare does not cover any access devices that are used with your system. However, for expensive items like eye gaze cameras, additional extended warranties are often available.
- SmartCare does not cover the any third party software that was installed after the supply of your system. You may need to re-install such programs after the repair is complete.

End of SmartCare

When a device is 5 years old, we are no longer able to provide a SmartCare package. We will continue to make repairs on a case by case basis where charges will be made accordingly. This will only be possible if computers and components are still available to us.

- 4.1. We will supply the Services to you from time to time on a services only basis.

- 4.2. The Services may include:
- a) The repair or replacement of your Device at no additional charge if it develops a fault occurring from normal and intended use or accidental damage (repairs for accidental damage being limited to one repair per year only). This does not include repair or replacement for loss, theft, damage by liquid or damage caused by deliberate misuse, neglect, transportation or attempted repair by anyone other than Us and We reserve the exclusive right to determine whether a damaged Device is covered under this clause 4.2;
 - b) The replacement of any faulty batteries (only if that battery has complete failure or less than 30 minutes battery life) and chargers;

- 5.4. We may also suspend the Services if you do not pay Us for the Services when you are supposed to. Such suspension of Services will not affect Our right to charge you interest under clause 7.

6. If there is a problem with the services

- 6.1. In the unlikely event that there is any defect with the Services:
- a) please contact Us and tell Us as soon as reasonably possible;
 - b) please give Us a reasonable opportunity to repair or fix any defect; and

Advice about your legal rights is available from your local Citizens' Advice Bureau or Trading Standards office. Nothing in these Terms will affect these legal rights.

7. Price and Payment

- 7.1. You will pay Us for the Services annually in advance. The price of the Services is set out in Our price list (as may be amended from time to time). Our prices may change at any time, but price changes will not affect orders that We have confirmed with you.
- 7.2. These prices include VAT at the appropriate rate. However, if the rate of VAT changes between the date of the order and the date of delivery or performance, We will adjust the rate of VAT that you pay, unless you have already paid for the Services in full before the change in the rate of VAT takes effect.
- 7.3. If you do not make any payment due to Us by the due date for payment, We may charge interest to you on the overdue amount at the rate of 3% a year above the base lending rate of Barclays Bank PLC from time to time. - 8.2. Our maximum aggregate liability to you for any cause whatsoever shall be limited to a sum equivalent to 100% of the fees paid by you for the Services as set out in Annex One.
- 8.3. We only supply the Services for domestic and private use. You agree not to use the Services for any commercial, business or re-sale purpose, and We have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

- 9.1. Before We begin to provide the Services, you may have the right to cancel a Quote for Services, including where you choose to cancel because We change these Terms under clause 3 to your material disadvantage. You may cancel a Quote for Services at any time before the start date for the Services by contacting Us. We will confirm your cancellation in writing to you.

10. Our rights to cancel and applicable refund

- 10.1. We may have to cancel a Quote before the start date of the Services due to an event outside of our control or due to the unavailability of key personnel or key materials without which We cannot provide the Services. We will promptly contract you if this happens.
- 10.2. Once We have begun to provide the Services to you, We may cancel the contract for the Services at any time by providing you with at least 30 calendar days' notice in writing.
